

Head and Spinal Cord—

Not examined

Opinion as to the cause
probable cause of death.

prob. cause of death: Cardiorespiratory failure
due to haemorrhage shock (Blood loss) & Head
injury.

Dr. S.H. Meshram

MEDICAL OFFICER (Signature)
District Hospital, KUH
Dist. Nagpur

Dated 9/11/2018

The Spinal Cord need not be examined unless there are any indications of disease, Strychnia poisoning or injury.
Note—The report must be written and signed immediately after the examination. Medical Officers will at once
despatch a duplicate copy to the Civil Surgeon of their district for record in his office.
Great care should be taken not to cut the viscera before they have been inspected in situ.
