(Signature)

Dr. S. B. Jaiswal
Medical Officer
Cottage Hospital, Ramt
Distt. Nagpur

*The Spinal Cord need not be examined unless there are any indications of disease, Strychnia poisoning etc.
Note.--The report must be written and signed immediately after the examination. Medical Officer should
despatch a duplicate copy to the Civil Surgeon of their district for record in his office.
Great care should be taken not to cut the viscera before they have been inspected *in situ*.
